

Your Obagi-C Rx System Protocol for Use - Normal to Oily Skin

AM Morning routine – order of application

C-CLEANSING GEL

Apply a nickel-sized amount to wet skin, massage into entire face and rinse thoroughly.

C-BALANCING TONER

Apply onto face and throat with a cotton ball. Let dry and do not rinse off. Avoid eye area.

C-CLARIFYING SERUM FOR
NORMAL TO OILY

Apply evenly to face and massage gently into skin, avoiding eye area because stinging can occur.

C-SUNGUARD SPF 30

Apply evenly to face, repeat after 2 hours if in direct sunlight.

PM Evening routine – order of application

C-CLEANSING GEL

Apply a nickel-sized amount to wet skin, massage into entire face and rinse thoroughly.

C-THERAPY NIGHT CREAM

Apply evenly to face, avoiding eye area because stinging can occur.
